Silicon Achievers' Club

Goals & Objectives: Academic and Co-Curricular excellence is the key focus area in Silicon. Recognition and appreciation of curricular and co-curricular achievements is an encouragement to ALL students to perform and achieve higher professional objectives. The Silicon Achievers' Club is a forum aligned with these goals.

Guidelines for inclusion in Silicon Achievers' Club

Academically meritorious and top-performing students from 3rd to 7th Semester B.Tech. and 3rd Semester MCA/M.Sc./M.Tech shall be included in the Silicon Achiever's Club provided they fulfill the following criteria:

1. Must have a CGPA of **8.50** or more
2. Should have at least 80% Attendance in all subjects in all semesters
3. Back Papers (if any) must have been already cleared
4. **No indiscipline issues or actions taken thereof in the past**
5. Should have good moral, ethics, conduct and behavior
6. Should have a positive attitude towards learning and achieving higher goals
7. Should have appreciable achievement(s) in co-curricular activities, such as:
    a. Participation or award in academic competitions at State/National level
    b. Participation or selection in Smart India Hackathon / other hackathons
    c. Poster/Paper presentation in Conference/Symposia etc.
    d. Participation or award in technical events in events of SIPC
    e. Participation or award in technical events, seminars, workshops in Silicon
    f. Experience as a Peer-Tutor in evening tutorial classes for juniors
8. Involvement in any other social work(s) is desirable
9. Prior experience and willingness in organizing events and related tasks

Membership in Achievers' Club is valid for ONE academic session only.
Maximum Limit: Ratio of 1 : 30 based on Student Strength of the Branch and Semester.
A student must re-apply for membership in Achievers' Club in the next session.

Faculty Responsibilities:

- Create an environment of academic competitiveness amongst all students
- Focus on hands-on, tutorial sessions, and personal attention to these students
- Monitor their academic progress and extend help in academics as and when needed
- Encourage & guide them to participate in technical events and competitions at the University, State and National Level
- Provide guidance and mentorship for innovation, competitive coding etc.
- Encourage & guide them for competitive recruitment leading to higher packages
- Encourage & guide them for GATE/CAT Exams and Higher Studies

Club Benefits:

- Achievers' Club members will be provided with **Golden Band** for their ID cards.
- A suitable **gift/study-aid material** and **certificate** will be given away to each member during the Achievers' Club Induction Program.
- They are eligible for issue of two **extra books** from the Central Library.
- They can recommend for purchase of any specific book/journal for the Library.
- They shall be eligible for partial **reimbursement of expenses** towards hardware, tools, registration fees, travelling expenses, etc., to participate in technical events within the country, as per budget provisions.
- They shall be eligible for partial reimbursement of expenses towards IEEE student membership as per the budget provisions.
- They shall be given **preference for selection as a Peer-Tutor** for teaching various subjects to the juniors in evening classes.
- Their **profile** or **interview** may be published in the Slate magazine.
- They may be given **preference for publication** in Slate or Digital Digest.

Club Activities:

- Organization of technical and competitive events, hands-on workshops, lecture-series or similar co-curricular activities for improvement of quality of education.
- Organization of hackathons, ideathons, coding competitions, etc. in the campus.
- Publication of informative and research articles in Slate and Digital Digest
- Preparation of study materials, model questions, and answers of examination question papers to be housed in the Library for reference by junior students.
- Conduction of evening tutorial classes for junior students.
- Other activities that will help improve the academic excellence of the University.
- Meetings with HODs, Deans, Advisor, Registrar, and Vice-Chancellor to discuss various academic aspects and scope for improvement.

Selection Process for Silicon Achievers' Club:

- Notification shall be published by the Dean (Instruction) after publication of results and at the beginning of the odd semesters.
- Students have to fill up the application form, attach photocopies of documents as required, and submit the same to the Faculty Advisor. The FA shall verify the details filled out by the student and forward it to the HOD.
- The HOD shall constitute a committee of 3 (three) senior faculty members to scrutinize the applications, and conduct personal interview of the applicants.
- **The committee shall select the top performers based on the suggested criteria, subject to the maximum limit of 1:30 based on the total student strength of the branch and semester.**

- The list of selected students shall be sent to the Faculty Coordinator (FC) of the Silicon Achievers' Club by the stipulated date.
- The Dean (Instruction) in consultation with the Advisor, Dean (Student Affairs), HODs, and FC of Achievers' Club shall finally compile the list of selected students to be inducted into the Achievers' Club for that academic session.
- The names of Achievers' Club members shall be notified by the Dean (Instruction). The notice shall also be circulated to all departments, library, publication cell, Faculty Advisors, and all others concerned.
- The expenditure towards gifts/study-aid materials shall be prepared by the FC and submitted Vice-Chancellor through Dean (Instruction) for approval.
- The date for Induction Program for the Achievers' Club members shall be finalized by the FC in consultation with the Officers of the University.
- The Induction Program of Achievers' Club shall be held on specified date where the **Golden Bands**, **Gifts**, etc., shall be distributed to the members. Eminent academicians or external speakers may be invited to the function. A special lunch in the canteen shall also be arranged on this occasion.
